# 2014 City of Blue Ash Survey Reveals Satisfaction of Residents

*98% of residents are satisfied with the quality of life in Blue Ash*

**Blue Ash, OH (9/23/2014)** – The results are in, and Blue Ash continues to maintain its reputation of providing a high quality of life for its residents.

In a recent survey conducted by the University of Cincinnati, 98% of survey respondents revealed that they are “very satisfied” or “satisfied” with the quality of life in the City of Blue Ash. Additionally, 94.2% of residents ranked Blue Ash as an “excellent” or “good” place to raise children. The survey was designed to measure residents’ perceptions of City services and recreation facilities, as well as attitudes and opinions on a variety of issues facing the City.

When asked about services provided by the City, 90.7% of survey respondents voted Blue Ash’s Fire and EMS services as “excellent” or “good”, 90.1% voted the City’s snow and ice removal services as “excellent” or “good”, and 86.3% voted the City’s Police as “excellent” or “good”. 97.1% of residents feel as though the City’s recreation facilities are “excellent” or “good”.

Residents also would like to see more connections between Blue Ash neighborhoods, which continues to be achieved with the City’s connectivity plan (see map). To date, there are over 18 miles of sidewalks on main roads throughout Blue Ash, not including the sidewalks in various neighborhoods. These main sidewalks are shared use paths and are encouraged for walkers, runners, and cyclists to use.

The City of Blue Ash is dedicated to providing top level amenities and services for its residents, and looks forward to continuing this reputation for years to come.
